Data Protection Readiness for SMB

fccDataPrivacy Data Protection Readiness for SMBs is a hosted data protection platform for small and medium-sized businesses. Both the EU data protection legislation (GDPR) and the Swiss data protection legislation (nDSG) are supported.

We offer three different models:

- **Starter Edition**
for small companies up to 25 employees
- **Standard Edition**
for companies between 26 to 100 employees
- **Unlimited Edition**
for companies with more than 100 employees.

Functions und Features

	Starter Edition (up to 25 employees)	Standard Edition (26 to 100 employees)	Unlimited Edition (above 100 employees)
Legal Documents			
→ Privacy Policy	✓	✓	✓
→ Cookie Policy	✓	✓	✓
→ Cookie Banner	✓	✓	✓

Legend: ✓ = included in the service, ○ = optional services

Remarks:

- processing activities are created according to the special conditions and requirements of your company, processing activities (contract processing agreements) are requested where required (project according to expenditure)
- Admin Portal and Education (Campus) are only available for registered members.

Pricing

Pricing (per website)	Starter Edition (up to 25 employees)		Standard Edition (26 to 100 employees)		Unlimited Edition (above 100 employees)	
	CHF	Euro	CHF	Euro	CHF	Euro
Implementation (one-time)	320.00	304.00	410.00	389.50	510.00	484.50
License per Language (per year)	27.00	25.70	27.00	25.70	27.00	25.70
Hosting (per year)	140.00	133.00	190.00	180.50	270.00	256.50
Optional Services → Installation Support (per h)	150.00	142.50	150.00	142.50	150.00	142.50

Price example for a Standard Edition with 2 languages:

- 1 x one-time implementation = CHF 410,00
- 1 x one-time creation of the processing activities (clue: for order processing with financial accounting, the processing activities can be created in approx. one day)
- 2 x license per language = CHF 54,00
- 1 x Hosting = CHF 190,00
- Total costs in the first year: CHF 410.00 one-off and CHF 244.00 annual operating costs.

The license prices apply per language and website.

Data Protection Readiness for Clubs and Associations

fccDataPrivacy Data Protection Readiness for Clubs and Associations is a hosted data protection platform built on standard club administration solutions (SaaS). Both the EU data protection legislation (GDPR) and the Swiss data protection legislation (nDSG) are supported.

We offer three different models:

- **Starter Edition**
for small clubs and associations up to 25 members
- **Standard Edition**
for clubs between 26 to 100 members
- **Unlimited Edition**
for clubs with more than 100 members.

Functions und Features

	Starter Edition (up to 25 members)	Standard Edition (26 to 100 members)	Unlimited Edition (above 100 members)
Legal Documents			
→ Privacy Policy	✓	✓	✓
→ Cookie Policy	✓	✓	✓
→ Cookie Banner	✓	✓	✓
→ Consent	✓	✓	✓
User Rights	✓	✓	✓
Processing Activities (SaaS)	✓	✓	✓
Processing Activities (others)	time & material	time & material	time & material
Admin Portal			
→ Number of administrators	up to 2	up to 3	up to 4
→ Two-factor authentication	✓	✓	✓
Education			
→ Education Users	no. of members	no. of members	no. of members
→ Initial Education	✓	✓	✓
→ Ongoing Education	✓	✓	✓
Support	best effort	priority	priority

Legend: ✓ = included in the service, ○ = optional services

Remarks:

- The processing activities is based on the functional capabilities of the respective association administration software and not on the actual use in an association. If desired, the processing directory can be adapted to the actual use (project according to expenditure)
- The related contract processing agreement is part of the deployment
- Admin Portal and Education (Campus) are only available for registered members.

Pricing

Pricing (per website)	Starter Edition (up to 25 members)		Standard Edition (26 to 100 members)		Unlimited Edition (above 100 members)

- 1 x one-time implementation = CHF 260,00
- 2 x license per language = CHF 54,00
- 1 x Hosting = CHF 110,00
- Total costs in the first year: CHF 260.00 one-off and CHF 164.00 annual operating costs.

The license prices apply per language and website.

Data Protection Management System

The Data Protection Management system is an extension of Data Protection Readiness for data protection officers with multiple clients.

In addition to the functional scope of Data Protection Readiness, the Data Protection Management System offers the following functions:

- Time recording
- Data protection impact assessment
- Audits
- Data protection report
- etc.

Pricing

	Data Privacy Management System	
	CHF	Euro
Base fee (per customer / year) incl. 1 tenant	720.00	684.00

The Data Protection Management system contains one Data Protection Readiness client of your choice. Additional clients are charged according to the Data Protection Readiness pricing.

Online Education

For customers with a **fccDataPrivacy** subscription, the associated online training offer is already included in the subscription.

For customers without a corresponding **fccDataPrivacy** subscription who want to use the training offer for their employees / members:

- Minimum term 12 months; thereafter can be cancelled monthly at the end of the month
- The online learning content itself is available free of charge; a charge is made for the initial request of an employee for a training certificate for a subject area.
